An English Vineyard Tour, Lunch and Wine Tasting

If you're partial to a glass of wine and would like to know how the grape gets to the glass, then this experience is for you. Taking place at an award winning vineyard set in beautiful Sussex countryside, your experience will start with tea and coffee and an introduction to the estate and its history. Then you will be taken on a tour of the vineyard, from the original cuttings to the newest additions and will learn about the whole process from planting to harvesting. From here go straight onto the winery to find out something about the winemaking process, from the arrival of the grapes to bottling of the finished wine. You'll taste three different varieties and a buffet meal is also included. A bottle is all yours to take home and savour later.

Availability

Available selected Wednesdays, Fridays and Saturdays throughout the year (for info, bookings still take place during the grape harvest in September and October).

Participant Guidelines

This experience involves alcohol, so the minimum age is 18. Disabled visitors are welcome as the venue offers wheelchair access (although please be aware that the vineyard covers some uneven and uphill ground).

Duration

Expect to be at the vineyard for four hours, including one hour for dining.

Spectators

Suitable only for paying participants to enjoy the full experience, sorry no spectators.

Numbers on the Day

This experience is for one person, however you will share your tour with a maximum of 34 other budding wine connoisseurs.

Location

Haywards Heath, West Sussex
