

Fast relief from Period Pain and Cramps

FEMINAX[®] 20 tablets

Rapidly relieves period pain and associated menstrual cramps. It relieves painful stomach cramps, backache, headache, and all the other aches and pains you get with period pain.

Ingredients: Each tablet contains:- Paracetamol Ph.Eur. 500mg, Codeine Phosphate Ph. Eur.8mg, Caffeine Monohydrate Ph. Eur. Equivalent to 50mg anhydrous caffeine, Hyoscine Hydrobromide Ph. Eur. 100 micrograms.
Also contains: sodium starch, glycolate, purified talc, gelatine powder, stearic acid and sodium lauryl sulphate.

Dosage: Adults and children over 12 years: Take 2 tablets at the first onset of symptoms; then if necessary 2 tablets every 4 hours. **DO NOT TAKE MORE THAN 6 TABLETS IN 24 HOURS.**

Not suitable for children under 12 years. Keep out of reach of children. If you are sensitive to any of the ingredients, suffer from glaucoma or have liver or kidney problems, speak to your doctor before taking Feminax. Avoid alcoholic drink. If symptoms persist consult your doctor. Medicines should not be taken during pregnancy without consulting your doctor.

If you notice any of the following after taking Feminax speak to the doctor or pharmacist:-

Dry mouth, blurred vision, tremors, palpitations, you bruise or bleed more easily than usual or if you are more prone to infection such as sore throat or mouth ulcers or if you suffer any other unwanted effects. Feminax may cause drowsiness. If affected do not drive or operate machinery. Do not store above 25°C. Date last revised: 26.11.99

Warning: Do not exceed the stated dose
Contains Paracetamol
Do not take with any other Paracetamol-containing products.
Immediate medical advice should be sought in the event of an overdose, even if you feel well, because of the risk of delayed, serious liver damage.
